

A RESEARCH AGENDA FOR ACTION: THE 5W's & 1H

OI SOO CHIN
Impacts & Evaluation Director, RSPO

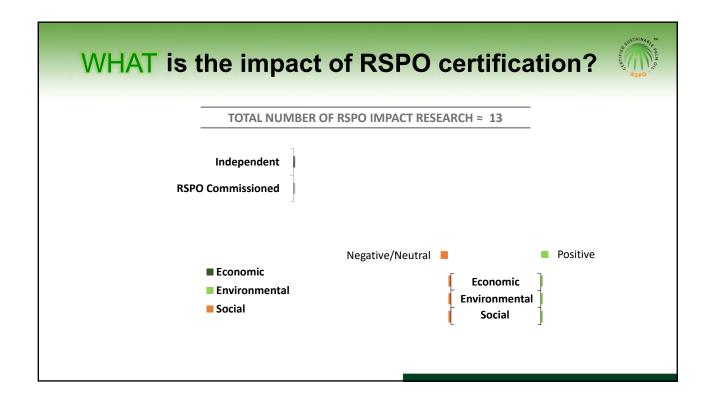

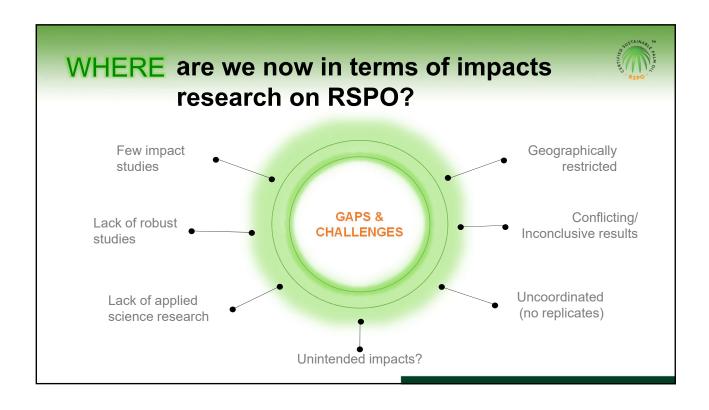

A Renewed Commitment to Achieving Market Transformation

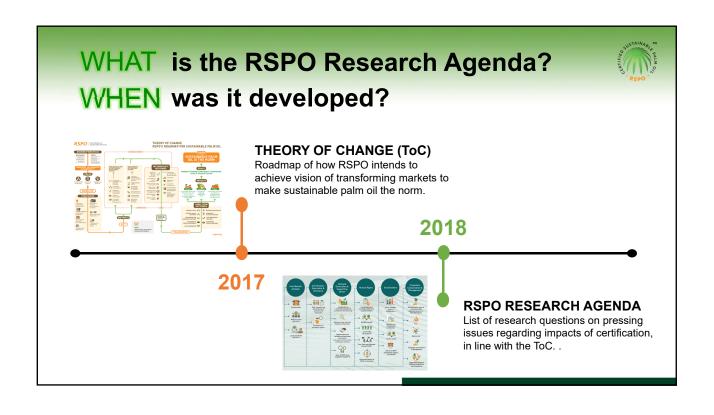

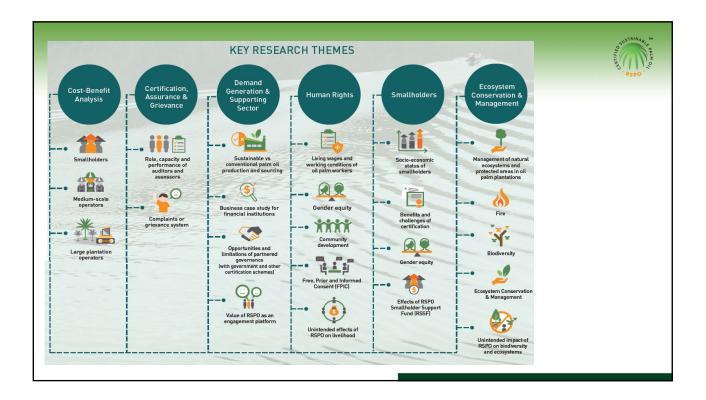

WHY have a Research Agenda?

- To focus, inform and coordinate research work to understand performances and impacts of RSPO certification
- To test and validate RSPO Theory of Change (ToC)
- To reach out and engage with the research community at large to foster collaboration and research partnership on a global scale
- To address gaps and challenges in impacts research
